New Delhi : Indian low-cost airline Air India Express is now offering exclusive priority services to passengers for a more seamless experience at Indian airports named 'Xpress Ahead'.

The services are currently available for purchase exclusively at Indian airports for international flights operated by Air India Express for a nominal fee.

The programme offers a comprehensive range of priority services and benefits, ensuring a seamless journey from check-in to landing, such as a dedicated check-in counter at the airport, priority baggage handling, priority boarding, and expedited baggage delivery upon arrival.
