

Amadeus strengthens partnership with Microsoft

- A Monitor Report

Date: 16 February, 2025

The Amadeus logo consists of the word 'aMADEUS' in a bold, blue, sans-serif font. The letter 'a' is lowercase, while 'MADEUS' is uppercase.The Microsoft logo consists of the word 'Microsoft' in a bold, grey, sans-serif font.

Madrid : Amadeus has announced the renewal of its partnership with Microsoft, harnessing Cloud and AI technologies to explore and create products in the travel industry.

Since the announcement of their initial partnership in 2021, this new milestone signifies the ongoing collaboration between Amadeus and Microsoft. Together, they aim to upgrade Amadeus' transition to the Cloud while accelerating the rollout of new travel solutions.

The partnership between Amadeus and Microsoft encompasses multiple dimensions and has already reached certain achievements.

Amadeus has transitioned over 50 per cent of its applications to the public Cloud, testing and adopting alongside Microsoft. It will continue collaborating with Microsoft to launch new AI-driven solutions that increase teamwork, improve operational efficiency, and create

distinctive customer experiences.
