

Civil Aviation Academy hands over certificates to trainees

- A Monitor Report

Date: 16 May, 2024

Dhaka : The Civil Aviation Academy (CAA) of the Civil Aviation Authority of Bangladesh (CAAB) handed over certificates to its trainees through a programme held at the latter's headquarters in the capital on May 9.

CAA, in collaboration with ICAO, conducted CAD Training Manager Course (TMC), ICAO Training Instructor Course (TIC), ICAO Training Developers Course (TDC), ICAO Oversight of Aircraft Leasing Operation Course (DALO) and ICAO Oversight Competency Based Training Assessment Course (OCBTA) in the last four months to build efficient and expert manpower in the country's civil aviation sector. These international courses play a crucial role in expanding the capacity of the country's civil aviation industry.

A total of 348 trainees were awarded certificates under 12 courses, including five ICAO courses and seven subject-based trade courses for

the newly joined trainees of CAAB. The trained officers/employees will play key roles in enhancing the overall security and capacity of Bangladesh's airports in the coming days.

CAAB Chairman Air Vice Marshal M Mafidur Rahman was present as the chief guest at the certificate distribution ceremony. Air Commodore A F M Atiquzzaman, Member (Planning and Management) of CAAB presided over the event while CAA Director Prashanta Kumar Chakraborty delivered the welcome speech. ICAO Senior Instructor Captain Mustafa Hammadi was present at the programme as a special guest.

ICAO Silver Membership

It may be mentioned here that the Civil Aviation Academy was upgraded from bronze to silver membership by the International Civil Aviation Organisation (ICAO) on May 1.

The certificate was handed over to CAAB Chairman Air Vice Marshal M Mafidur Rahman at a conference held in Dominican Republic.
