

Emirates appoints new Area Manager for Bangladesh

-A Monitor Report

Date: 01 July, 2023

Dhaka : Emirates appointed Jaber Mohamed as the new Area Manager for Bangladesh, effective from August 1, 2023. Jaber will take on the responsibility of leading the airline's operations, driving growth, and strengthening Emirates' footprint in the country.

He will replace Mohammed Al Hammadi, who will assume the role of Manager of Iran and Central Asia, Emirates.

Jaber will report to Ahmed Khoory, Emirates SVP of Commercial Operations- West Asia and Indian Ocean.

Jaber joined Emirates in 2010. He began his career with Emirates through a management training programme and served as an Outstation Manager until 2012. Afterwards, Jaber served as Area Manager for Cyprus, Greece, Uganda, and Taiwan and as Country Manager for Philippines.

Jaber got his Bachelor's degree in Law from the University of Sharjah in 2007. He completed a Diploma in Judicial Studies from the Institute of Training and Judicial Studies, part of the UAE's Ministry of Justice.

Dubai-based Emirates airline started its operations in Bangladesh in 1986 and currently offers 21 flights a week from Dhaka.
