

Emirates introduces pocket prayer mats for passengers

- A Monitor Report

Date: 01 January, 2026

Dubai : Emirates airline has introduced an upgraded pocket prayer mat for passengers, offering a thicker design while maintaining easy portability for travelers observing daily prayers during flights.

The new mats are available upon request from cabin crew members across all Emirates aircraft and on all flights.

The enhanced prayer mat provides improved comfort and durability compared to previous versions.

The mats are available to all passengers regardless of class of travel.

The pocket prayer mat is more valuable on long-haul routes where prayer times may fall during flight durations.

Emirates operates weekly 21 flights on Dhaka-Dubai route, offering

convenient onward connections all over the world.
