

Emirates offers live FIFA World Cup matches onboard

A Monitor Report

Date: 01 December, 2022

Dubai: Emirates entertainment system is airing all FIFA World Cup Qatar 2022™ matches live on Sport 24 onboard the aircraft, as well as in the A380 onboard lounges, and across dedicated Emirates airport lounges - ensuring fans do not miss a moment of the action.

Over 200 Emirates aircraft are equipped with live TV, featuring dedicated sports channels - Sport 24 and Sport 24 Extra. Kicking off on 20 November, Emirates passengers will be able to watch all FIFA World Cup Qatar 2022™ on Sport 24 via live, including the highly anticipated final on the 18 December.

Prior to boarding a flight, Emirates passengers can also watch live match action in dedicated lounges. Emirates Lounges are accessible on a complimentary basis to First and Business Class passengers, as well as Emirates Skywards Platinum and Gold members. Silver members can also avail complimentary access to the Emirates Business Class lounge, in Dubai.

On Sports 24, fans can also watch live matches from the Premier League, UEFA Champions League and UEFA Europa League, and the Asian Football Championship. Sport 24 also airs top international sporting events. Passengers can view full match schedules in advance and plan their viewing on <https://www.emirates.com>.

Emirates passengers in all classes can browse the world class entertainment library with over 5,000 channels of on demand entertainment, over 1,700 movies and 1,500 hours of TV, live news, as well as music, podcasts and audio books across 45 languages.

Emirates now operates 21 weekly flights to Dhaka.
