

## Ethiopian Airlines unveils European expansion plans

-A Monitor Report

Date: 02 December, 2023

Addis Ababa : Ethiopian Airlines will be serving 19 European airports with passenger flights by 2023 end, said reports. The airline introduced Copenhagen in May, London Gatwick in November and Madrid to be launched in December, 2023.

Reports cited Ethiopian Airlines' Chief Commercial Officer Lemma Yadacha Gudeta, saying, Lisbon is a "done deal", subject to slots there. She also said Dublin is a "done case", added reports.

Amsterdam is also coming, subject to slots, further mentioned reports cited the CCO. The airline will also be launching flights to the Northern UK, supplementing Manchester in the north as well as London Heathrow and Gatwick down south

Ethiopian will also launch flights to Warsaw for Star Alliance reasons, concluded reports cited the CCO.
