Dubai : flydubai announces a brand new partnership. The airline has teamed up with TAROM, Romania's flagship carrier, to access 15 new destinations.

Through the new pairing, passengers will be able to access destinations on TAROM's domestic and international network. This includes cities from Athens, Amsterdam and Brussels to Madrid, Paris and Frankfurt.

Passengers travelling with flydubai in Business Class can enjoy an enhanced travel experience featuring lie-flat seats, internationally inspired menus and hours of entertainment.

Meanwhile Economy Class passengers can also sit back, relax and enjoy their flight with reclining seats and an adjustable headrest.

flydubai currently operates double daily flights from Dubai International

(DXB) to Bucharest Henri Coandă International Airport (OTP). The airline is soon set to add Iași as its second destination in Romania, taking off from September 19, 2025.
