

HB Aviation Training Centre offers post training employment opportunities

A Monitor Report

Date: 16 October, 2022

Dhaka : Air Ticketing can be an ideal profession for those, who seek a rewarding career after finishing their studies. If you succeed in HSC and have basic computer knowledge, you can enter this profession and be successful. And those who want to get into this occupation, HB Aviation Training Centre works primarily to guide them, said the centre in a press release.

Upon completion of the course, HB Aviation issues a professional certificate. Meanwhile, HB gets the certificate from the Bangladesh Technical Education Board and provides those who need it.

The training centre also provides comprehensive support to students in the field of employment or business. So far, the institute has directly helped over 300 students to find employment and over 100 students to become entrepreneurs.

In this regard, Zaki S Bari, Founder, and Chairman, HB Aviation Training Centre said, "We want to train the students, so that they can become an up-to-date air ticketing professional. After completing the course, we provide the right support to students for getting jobs or starting businesses. We also make arrangements for them to earn via Freelancer sub ID with the maximum commission and support."

HB Aviation Training Centre is the only aviation based institute in Bangladesh that is accredited by the Bangladesh Technical Education Board and has also achieved ISO

9001:2015 certification.

At present, they have two branches, one in Dhaka and another in Chattogram. Details of these can be found at hbaviationbd.com website.
