

IndiGo introduces direct flights to Abu Dhabi from Bhubaneswar, Visakhapatnam

- A Monitor Report

Date: 17 May, 2025

Delhi : IndiGo announces new direct flights connecting Abu Dhabi to India's culturally rich cities- Visakha-patnam and Bhubaneswar.

The new routes are set to enhance international connectivity for travelers, making global travel more accessible and affordable.

The flights on Bhubaneswar-Abu Dhabi routes will operate three times a week effective June 12, 2025, and between Visakhapatnam - Abu Dhabi four times a week starting June 13, 2025.

By introducing these direct flights, IndiGo is enhancing travel convenience for passengers, expanding international access to regional markets, and catering to the growing demand from both business and leisure travelers.

Their new routes connecting Visakhapatnam and Bhubaneswar to Abu

Dhabi will provide easier access to the UAE, facilitating smoother travel for business, education, and tourism purposes.

Speaking on the development, Vinay Malhotra, Head of Global Sales, IndiGo, said, "We are pleased to announce direct flights from Bhubaneswar and Visakhapatnam to Abu Dhabi, further growing our international network."

"With the additions of these flights, IndiGo now operates over 100 weekly flights to Abu Dhabi from 15 cities in India. This also increases our frequencies to the UAE to 275 flights a week from 18 cities in India," he added.

"As demand for direct international travel grows, we're committed to connecting India with global economic centers, ensuring on-time, affordable, and seamless travel across our expanding network," he claimed.

Abu Dhabi, the capital of the United Arab Emirates, is renowned for its elegant fusion of tradition and modernity, featuring UNESCO-listed Cultural Sites of Al Ain, including ancient tombs and forts.

Iconic landmarks like the Sheikh Zayed Grand Mosque and Louvre Abu Dhabi add to its global cultural appeal.

IndiGo is the world's largest airline at the moment, a popular choice among travelers for its aircraft, budget fares, and vast network.
