

Kuwait Airways's new Senior Country Manager for BD Alebrahim

- A Monitor Report

Date: 02 March, 2025

Dhaka : Kuwait Airways has announced the appointment of Talal Alebrahim as the Senior Country Manager for Bangladesh, Pakistan, Sri Lanka, and Maldives.

With over 20 years of service to the national carrier of Kuwait, Alebrahim brings a wealth of experience and expertise to his new role, said a release.

Having served in various capacities across several departments, he has built a foundation in aviation management. His illustrious career includes significant roles in operations management in Qatar and Iran, where he demonstrated leadership and leveraged his skills in sales and marketing to drive success, it added.

Alebrahim's appointment reflects Kuwait Airways' commitment to

connecting cultures and providing exceptional service to its passengers. His mission is to ensure operational excellence and uphold the airline's dedication to quality, making every flight a symbol of the company's values and vision.

As Senior Country Manager, Alebrahim will oversee Kuwait Airways' operations in Bangladesh, Pakistan, Sri Lanka, and Maldives, focusing on expanding market reach, fostering partnerships, and delivering world-class service, concluded the release.
