

New local airline Air Astra hiring in Marketing, Sales

A Monitor Report

Date: 01 March, 2022

Dhaka : The newest airline from Bangladesh Air Astra is hiring for the posts of "Assistant Managers," "Senior Executives" and "Executives" in Marketing and Sales. "Eligible candidates are encouraged to apply to become a part of the dynamic team of professionals that makes up Air Astra," said the airline in a social media announcement.

Qualifications to apply: Bachelor's Degree in any discipline; age below 45 years (for Asst Managers) or below 40 years (for Senior Executives and Executives); at least five years' experience (for Asst Managers) or three years' experience (for Senior Executives) or at least two years' experience (for Executives) in related fields; ability to work hard in the Marketing and Sales, to pursue new and prospective clients and cultivating existing clients by ensuring customer satisfaction; and good communication and interpersonal skills in English and Bangla.

Attractive compensation and benefits available for the deserving candidates, added the airline.

Air Astra asked applicants to send updated resume with recent photograph to jobs@airastra.com mentioning "Asst Manager, Sales" or "Executive, Sales" in the subject line by March 10, 2022.

As per the rules, the airline will get permission to operate flights on international routes after operating flights on domestic routes for at least one year.

Air Astra will be the third private airline in Bangladesh.
