Date: 16 January, 2022

Dhaka : Country's one of the leading private airline NOVOAIR celebrated its 9th anniversary through various programmes on January 9.

The inaugural flight of NOVOAIR flew on January 9, 2013 from Dhaka to Chattogram.

On the day of the airline's 9th anniversary, Managing Director of NOVOAIR Mofizur Rahman greeted all by saying the airline has always given priority to its customers' safety, security, comfort, and on-time performance.

"We have earned passengers trust for safe air travel over the years. NOVOAIR is always pro-active in enhancing the quality of passenger service and maintaining on-time departure."

"We are persistently adding modern technology in order to improve our service," he mentioned adding, "to celebrate our 9th anniversary, we have launched Mobile Boarding Pass to provide passengers with more advanced services. NOVOAIR has always been playing the leading role in digital advancement of the country's aviation sector."

Currently, NOVOAIR has seven ATR 72-500 aircraft in its fleet.

"On this special occasion, our commitment will be ensuring passenger safety, adding more aircraft in fleet, expanding domestic and international destinations, and consistently meeting our valuable passengers' needs," the Managing Director further added.

NOVOAIR flies from Dhaka to Chattogram, Cox's Bazar, Jashore, Sylhet, Saidpur, Rajshahi, and Barishal under its domestic network and Kolkata under international.
