

Singapore Airlines launches fare promotions

- A Monitor Report

Date: 16 April, 2025

Singapore : Singapore Airlines (SIA) is celebrating Singapore's 60th birthday with a range of special fare promotions and exclusive offers for customers.

As part of its "Celebrating with Singapore" campaign, the airline will offer special SG60 fare deals on flights between Singapore and 77 destinations. These deals are available from April 11 to 24, 2025, for travel between April 12 and November 19, 2025. Bookings can be made through SIA's website, mobile app, or travel agents.

Scout, SIA's budget airline, is also joining the celebrations with SG60 fare deals on flights between Singapore and 60 destinations. These offers are available from April 8 to 17, 2025, for travel between April 14 and October 25, 2025.

Additionally, KrisFlyer members can benefit from bonus miles on Scout

flights and extra discounts on SIA's Spontaneous Escapes promotions. Special SG60 vouchers will also be available on the Kris+ app, offering discounts at select dining and retail partners in Singapore.

SIA's inflight entertainment system will feature content about the country's history, arts, and culture. From July to September 2025, select flights will serve Singaporean hawker dishes, offering passengers a taste of the nation's iconic cuisine.
