

Turkish Airlines offers free, limitless messaging above clouds

-A Monitor Report

Date: 16 April, 2023

Istanbul : Turkish Airlines will now be offering free and limitless messaging services to all passengers on international flights where internet access is available, with the motto "Enjoy Limitless Messaging" through applications such as WhatsApp, Messenger or iMessage, among others.

On the new service, Bilal Eksi, CEO, Turkish Airlines, said, "We are adding another innovative development to the countless improvements we made for Türkiye's aviation sector as the national flag carrier. By combining our innovative approach with customer satisfaction, we are ensuring our passengers will be able to freely message their loved ones above clouds, staying in contact with them without any limits."

With the limitless messaging service being complimentary to all

Miles&Smiles member passengers, non-members will also be able to benefit from this service upon filling out the Miles&Smiles membership form available before or during the flight. Moreover; Miles&Smiles Classic Plus, Elite and Elite Plus members will be benefitting from enhanced free internet packages.

Aiming to provide its passengers with privileges beyond their expectations at every stage of their journey, Turkish Airlines will first launch this service on its aircraft with internet access by Turk Telekom, and then gradually on all aircraft with internet connection.
