

Turkish Airlines showcases new Crystal Business Class Suite

- A Monitor Report

Date: 01 August, 2024

Farnborough : Turkish Airlines, that flies to more countries than any other, revealed the details of its brand-new state-of-the-art Business Class suite at the Farnborough International Airshow 2024 in Hampshire, UK on July 22-26.

The new Crystal Business Class suite marks a new era for luxury air travel for business passengers and is the first from Turkish Airlines to feature an adjustable suite door and privacy panel for enhanced in-flight privacy.

On the new Business class offerings of the company, Prof.Ahmet Bolat, Chairman of Board and Executive Committee, Turkish Airlines, said, "Our new Crystal Business Class suite will add a new chapter for our long-haul luxury travel and will carry the airline into the future with a new level of comfort and privacy across our extensive global network.

The specially created design will complement our award-winning in-flight dining options for us to keep providing an unparalleled experience above the clouds for our guests."

New seats feature a generous 23-inch seat width boasting increased footwell space with direct aisle access for all guests with every window suite possessing full visibility. In line with company's "Flow" brand identity, new suites feature lighter and warmer colors, marble-style table and rose gold finishes.

The suite continues to provide the very best amenities Turkish Airlines is known for to elevate guest experience, including adjustable ambient and reading lights, universal and Type C power outlets, wireless charger, noise cancelling audio jack, adjustable mirror, closed stowage ergonomic seat cushion and a 22-inch IFE screen.

The new seats, set to be featured on the carrier's transcontinental flights, will be gradually installed on airline's Airbus A350s on order, as well as planned to be retrofitted on its fleet of Boeing 777 aircraft.
