

US-Bangla to make student pilots free of cost

A Monitor Report

Date: 01 May, 2022

Dhaka : The largest private carrier of the country US-Bangla Airlines has announced to make students pilots at its own cost.

Meritorious Bangladeshi youths with Grade B in at least two subjects (mathematics and physics) in A Levels, or GPA 5 in HSC/SCC or A grades in at least science subjects (physics and math), will be eligible to apply, the airline said in a press release.

Graduates from science from reputed universities can also apply.

The maximum age at the time of application should be 25 years. Meanwhile, their height should be at least 5 feet 4 inches.

All the process of selection of candidates would be completed with the cooperation and supervision of Bangladesh Air Force.

Initially, 50 students would be selected from those who pass all the tests. The selected candidates would then be sent to a renowned flying academy at the expense of US-Bangla.

After successful completion of the two-year training, pilots who have passed would be eligible to join US-Bangla Airlines.

The selection process of student pilots includes IQ test, written and viva voce exams, and other examinations required.

Interested candidates can apply online at usbair.com/career/studentpilot.

The last date for submission of applications is May 5, 2022.
