

## **Etihad resumes stopover offerings**

A Monitor Report

Date: 01 July, 2022

Abu Dhabi : Etihad Airways is inviting guests to have stopover in Abu Dhabi with three different offers that suit everyone.

With the resumption of Etihad Stopovers, travellers can benefit from 40 per cent discounted prices at one of Abu Dhabi's premium four-star and five-star hotels participating in this campaign, or from a one or two-nights complimentary stay in a three or four-star participating hotel.

The third new option is Transit Connect, where the guests on eligible routes can book a complimentary hotel near Abu Dhabi International Airport if their flight connection time in Abu Dhabi is between 10 and 24 hours.

On the occasion, Martin Drew, Senior Vice President Global Sales, Etihad Airways, said, "With the removal of the majority of travel restrictions, more people are travelling for the summer break. The Etihad Stopover has always been extremely popular, especially for guests looking to break up ultra-long haul travel with a couple of days enjoying the wonders of Abu Dhabi."

He added, "Our new offers enhance that proposition even further, allowing guests to discover our beautiful Emirate with all of its diverse attractions. There's something for everyone, from Louvre Abu Dhabi to the Sheikh Zayed Grand Mosque, or Yas Island, home of the Formula 1 track, Warner Brothers amusement park and CLYMB, the region's tallest indoor climbing wall. Not to mention the newly established cycling courses in Al Hudayriat Island and beautiful golf courses spread across the

Emirate."
