

HB Aviation Training Center awards its successful trainees

A Monitor Report

Date: 16 January, 2022

Dhaka : HB Aviation Training Center organised a programme on January 7 at a city hotel to award certificates and crests to successful students who have received training from them, accredited by the Bangladesh Technical Education Board.

At the award ceremony, certificates were awarded to 72 students who received training from HB Aviation, 15 students who became successful entrepreneurs, and those who got jobs in different airlines were given the "Star Student" crest and appreciation certificate of Best Trainer and Supporter.
