Date: 01 September, 2022

Chattogram : HB Aviation Training Center started "Air Ticketing Professional Course" in the port city of Chattogram on August 12, after Dhaka, in an effort to create skilled human resources in the airline and travel agency sectors.

On this occasion, at an elite restaurant in Chattogram, HB Aviation organised an informal event with new students, the HB Aviation team, travel agency owners, representatives of GDS Software and airlines.

On the occasion, Zaki S Bari, Founder and Chairman of HB Aviation Training Center, presented the keynote address.

He said, "The people of Chattogram had a desire for such a training center in the port city for a long time. Till now, many students of Chattogram had to go to Dhaka to avail such training."

"Hence, we opened a branch of HB Aviation Training Center in Chattogram to create skilled human resources in the sector while keeping their needs in mind. Like Dhaka, HB Aviation Training Center will create job and business opportunities in Chattogram as well."

HB Aviation Training Center's Chattogram branch is located on the 5th floor of Jibon Bima Tower at Chowkbazar intersection of the city.

It may be mentioned here, since 2018, HB Aviation Training Center has been providing

quality training on air ticketing in Dhaka and full support to students in get jobs and run businesses after completion of their training.

HB Aviation Training Center is the only Aviation Training Institute in Bangladesh, which is ISO certified and approved by the Bangladesh Technical Education Board.
