Dhaka : Customers of the largest MFS Add Money network of 29 banks, Visa and Mastercard can conveniently add money to their bKash accounts, evading the risk of withdrawing money from bank counter or ATM booth amid the surge in Covid-19 infections, announced bKash on June 26.

At the same time, customers can enjoy contactless bKash services like send money, merchant payment, mobile recharge, utility bill payment and many more conveniently from any place 24/7.

To encourage the customers towards this service, bKash is donating BDT 10 to the country's healthcare sector upon one Add Money transaction of BDT 5,000 or more made by each customer till July 9, 2021.

Not only Add Money to bKash accounts, customers can also instantly Transfer Money to the accounts of four banks from bKash, easing the suffering of people while depositing money standing in long queues of the banks.

At present, customers of 29 commercial banks can add money to their own or loved ones' bKash account through internet banking and app. Users can also enjoy the Add Money service from Visa and Mastercard issued in Bangladesh to their own and loved ones' bKash account in the same way. A customer can avail this service

from several cards.
