

CAAB lifts all remaining covid-19 curbs for incoming pax

A Monitor Report

Date: 01 June, 2023

Dhaka : Currently, passengers arriving from outside Bangladesh do not need to fill up online Health Declaration Form (HDF) and need not to provide Covid test report or Covid-19 vaccination Card.

The Civil Aviation Authority of Bangladesh on May 29 made the announcement as Covid situation has almost become normal globally. However, in the circular, CAAB said, passengers travelling from Bangladesh to other countries should take necessary actions as per the conditions set by the destination countries.

Restrictions related to wearing masks, keeping social distance and other preventive measures related to Covid-19 spread was also made relaxed.

However, travellers working in high-risk places/zone (ie Hospital, Clinic etc) and the travellers highly susceptible with low immunity have to

wear mask as precaution.

Hajj passengers must abide by the conditions set by the Saudi Arabia and keep themselves away from camel to prevent spread of MARS virus.

There will be no capacity restriction on carrying passengers by any type of aircraft, CAAB also said.
