

EBL wins award for digital innovation

- A Monitor Report

Date: 02 August, 2025

Dhaka : Eastern Bank PLC (EBL) has been honored with the 'Most Innovative Digital Bank-Bangladesh' award at the International Finance Banking Awards 2025.

The accolade was presented by the London-based International Finance magazine, globally recognized for its insightful coverage of the financial services industry, said a release.

"This recognition reflects our unwavering dedication to delivering progressive, secure, and intuitive digital services that meet the evolving needs of our customers," said Ali Reza Iftekhar, Managing Director, EBL. "We are proud to represent Bangladesh on the international stage and remain committed to pushing the boundaries of banking innovation."

Renowned for its commitment to innovation and customer-centric

solutions, EBL was recognized for strategic strides in transforming the banking experience through seamless digital platforms, intuitive mobile banking services, and customer-focused technological enhancements that set new industry benchmarks, concluded the release.
