

## MTB Foundation celebrates World Autism Awareness Day 2023

-A Monitor Report

Date: 16 April, 2023

Dhaka : To commemorate 'World Autism Awareness Day 2023', MTB Foundation in partnership with PFDA - Vocational Training Centre Trust (PFDA-VTC) - recently celebrated this year's theme - 'Transformation: Toward a Neuro-Inclusive World for All'.

The event was organised at the PFDA-VTC premises in the presence of Rais Uddin Ahmad, Deputy Managing Director and CAMLCO from Mutual Trust Bank Ltd and Samia Chowdhury, Chief Executive Officer from MTB Foundation.

MTB Foundation is committed to supporting individuals with autism by providing learning opportunities to young adults and adult persons with autism and neurological disabilities so that they can thrive and reach their full potential.

MTB Foun-dation emphasises on Technical and Vocational Education and Training (TVET) for persons with autism as it provides them with practical skills and knowledge for creating employment opportunities for themselves along with recognising their rights and achievements.
