

Alam appointed Radisson's Regional Responsible Business Coordinator

A Monitor Report

Date: 16 March, 2022

Dhaka : Radisson Blu Dhaka Water Garden announced that Muhammad Mahabubul Alam, Director of Human Resource and Training, has been appointed as Regional Responsible Business Coordinator for Bangladesh and Maldives, Radisson Hotel Group.

After completing his Master's Degree from Jagannath University, Md Mahabubul Alam started off his career at Lasting Spring Industries Ltd DEPZ, as an Executive. During his tenure, he served in many reputed organisations such as BRAC Bangladesh, Bangladesh Shishu Adhikar Forum (BSAF) under DANIDA Project etc. He also completed Post Graduate Diploma in Human Resource Management from Bangladesh Institute of Management (BIM).

He began his journey at Radisson Blu Dhaka Water Garden as a Training Officer in the Human Resources Department in August 2007. Over the years, he worked tremendously and worked his way up the ladder, gathering a lot of experience and making a name for himself at Radisson Blu Dhaka.

Md Sharfuddin Newaz, Director of Sales and Marketing and General Manager, In-Charge, Radisson Blu Dhaka, said, "We are very lucky to have a personality like Mahabubul Alam with us. His track-record is praiseworthy and he has always been a priceless asset for us and a great mentor for everyone at Radisson Blu Dhaka Water

Garden."

Radisson Hotel Group has a long history of being a responsible business, with ambitious and award-winning programmes. Each and every employee live Responsible Business every day-at home, together with their hotel colleagues and in their local communities where they work on creating building better futures and a better planet for all.

As an additional responsibility, Mahabub will be driving the Responsible Business initiatives in Bangladesh and Maldives under Radisson Hotel Group. With his charming personality, dynamic professionalism and delightful communication skills, Muhammad Mahabubul Alam has managed to create his own stand in the hospitality industry of Bangladesh.
