

Crowne Plaza's Beast unveils new menu

- A Monitor Report

Date: 01 November, 2025

Dhaka : Crowne Plaza Dhaka Gulshan is unveiling a new menu at Beast-city's first global travel themed rooftop dining restaurant.

The new menu prepared by Chef Md Khawaldeh was unveiled on October 30, promising to take guests to a global culinary journey.

The new menu reflects Chef Khawaldeh's culinary travel all over the world and his gourmet experience. He has prepared each dish inspired by each of the destinations he has visited or worked at.

Beast is located on the 26th floor of Crowne Plaza Dhaka Gulshan situated in the capital's Gulshan area.
