pocket. Stepping into the café, the smell of coffee hits you first with a complex wave of warmth and roasted bliss.

The café's true charm lies in its ambience. The cafe fosters a sense of community. Curated bookshelves stand tall by one wall, inviting patrons to indulge in a good read while sipping coffee. Oversized armchairs and plush couches create a cozy atmosphere, perfect for catching up with friends or one can just enjoy a cup of coffee and a book in solitude.

Nerdy Bean does not compromise quality to keep the prices reasonable. It ethically and meticulously roasts their own coffee beans. Each cup is a symphony of flavours, expertly brewed by baristas passionate about their craft.

Whether one is a fan of a bold espresso or a creamy cappuccino with a touch of artistry, the café's menu caters to all palates. House-made pastries and light bites like sandwiches and fries further elevate the experience. However, the café's best seller is the hazelnut latte and brownies.

Nerdy Bean is a place for everyone, where people of all ages and professions can come and relax. The starting price of the café's items is only BDT 200 which is pretty reasonable. Thus, those seeking a respite from the city's hustle and bustle can step into Nerdy Bean and discover a hidden gem.
