

InterContinental Dhaka first to offer guests electric vehicle charging facility

- A Monitor Report

Date: 01 July, 2025

Dhaka : InterContinental Dhaka is now the First hotel in the capital to offer guests Electric Vehicle (EV) charging facilities.

Through a recent partnership with Mulytic Energy, InterContinental Dhaka has introduced an EV charging station at the hotel to serve electric vehicle users with ease and efficiency.

With the new move, the hotel aims to make guests' stay even greener and more convenient, said a release.

Drive in, plug in, and experience sustainable luxury at its finest, added the release.

In line with IHG's Journey to Tomorrow, InterContinental Dhaka remains dedicated to advancing eco-friendly practices for a cleaner, greener future for the planet, concluded the release.
