

InterContinental Dhaka signs MoU with ICHMT

- A Monitor Report

Date: 02 March, 2024

Dhaka : InterContinental Dhaka signed a Memo-randum of Understanding (MoU) with International Chamber of Healthcare and Medical Tourism (ICHMT) recently through a ceremony held at the hotel premise in the capital.

Manuj Mittal, Chairman and Yatin Gugliani, President of ICHMT signed the MoU with Ashwani Nayar, Area General Manager, IHG, South West Asia and General Manager, InterContinental Dhaka on behalf of their respective organisations. Other high officials from both organisations were also present on the occasion.

International Chamber of Healthcare and Medical Tourism Foundation is the largest non-profit organisation in Health tourism globally with a strong legacy of protecting and strengthening the healthcare and health tourism business community.

ICHMT's mission is to elevate the standards of healthcare globally and facilitate seamless access to medical services across borders and is

committed to fostering international partnerships, driving innovation, and advocating for the highest quality of patient care in the dynamic field of medical tourism.

Through the strategic partnership, ICHMT and InterContinental Dhaka will work together to enhance the overall guest experience for guests seeking healthcare or medical tourism services.

This will include personalised healthcare packages and seamless coordination between InterContinental Dhaka and healthcare facilities to ensure a comfortable and hassle-free experience for guests.

ICHMT members will also be able to enjoy special rates on accommodation, dining, banqueting and at the wellness facilities of InterContinental Dhaka.
