

## Mercedes-Benz BD supports EV charging expansion at Radisson Blu Dhaka

- A Monitor Report

Date: 02 May, 2026

Dhaka : Mercedes-Benz Bangladesh, represented by Rancon Motors Ltd, has announced its support for the installation of advanced electric vehicle (EV) charging stations at Radisson Blu Dhaka Water Garden.

The project has been developed in collaboration with CrackPlatoon Charging Solution Limited, combining technical expertise with sustainability-focused hospitality initiatives.

The initiative is aimed at promoting greener mobility and expanding EV infrastructure in Bangladesh, particularly in key urban locations.

It is expected to make electric vehicle usage more convenient for drivers while supporting the country's broader transition toward sustainable transport solutions.
