Date: 16 May, 2023

Bagura : Momo Inn Bogura recently inaugurated its spectacular water park, featuring the first-ever ferris wheel in the region, announced the hotel in a release.

The opening ceremony was held recently at the hotel premise to unveil the one of a kind entertainment destination to the visitors, added the release.

At the launch, visitors eagerly explored the waterpark's exhilarating features, it also mentioned.

The hotel said the ferris wheel has become an instant hit among guests. It offers breathtaking panoramic views of the Bogura city, leaving riders awe-inspired.

It is now an iconic attraction in the region to visitors.

Guests also revel in the wide array of water-based attractions the waterpark had to offer such as the thrilling water slides, the lazy rivers, the wave pools etc, further mentioned the hotel.

Also, at the opening ceremony, renowned artists took to the stage, captivating the audience with their mesmerising acts. With that, the water shows left spectators spellbound with their dazzling choreography and synchronised performances, added the release.

On the occasion, Jewel Khan, Additional Managing Director, Momo Inn Bogura, said, "We are thrilled beyond measure with the resounding success of the grand opening ceremony. The overwhelming response from our guests is a testament to the hard work and dedication that went into creating this remarkable waterpark. We are honoured to have brought this unique entertainment experience to Bogura, and we look forward to creating countless memorable moments for our visitors."

Momo Inn Bogura's commitment to guest safety and satisfaction at the water park is clear. Strict safety protocols are in place, ensuring the well-being of all visitors.

Lifeguards are stationed at every attraction, providing a secure environment for everyone.
