

## Radisson Blu Dhaka wins in Eco-Friendly hotel category

- A Monitor Report

Date: 16 February, 2026

Dhaka : Radisson Blu Dhaka was awarded Leading Eco-Friendly Hotel accolade at the Bangladesh Travel, Tourism, and Hospitality Awards 2025 for its commitment to environmental responsibility and decarbonization.

Manfuza Masud Chowdhury, Senior Manager, Sales and Marketing, Radisson Blu Dhaka received the award on behalf of the hotel from the distinguished panel of presenters at InterContinental Dhaka.

Radisson Blu Dhaka is a leader in sustainable hospitality through comprehensive environmental initiatives. The hotel has eliminated single-use plastics, introduced reusable and paper alternatives, adopted glass-bottled water with in-house filtration, and replaced plastic straws. A strong decarbonization strategy guides operations, supported by an energy-efficient 400-ton chiller system unique in Bangladesh.

Participation in Earth Hour reflects its commitment to energy conservation. Future plans include solar panels, EV charging stations, a water bottling plant, and guest green programs. With a target of achieving net-zero emissions by 2030, Radisson Blu Dhaka sets a national sustainability benchmark.
