

## **Renaissance Dhaka ranks top in operational excellence in Bangladesh**

- A Monitor Report

Date: 16 April, 2026

Dhaka : Renaissance Dhaka Gulshan Hotel has announced that it has achieved the top ranking in operational excellence, securing the highest Guest Voice score among all Marriott International properties in Bangladesh for the first quarter of 2026, according to a hotel release.

The hotel said in a release that this milestone reflects its continued commitment to delivering high-quality service and consistently enhancing guest experiences. The achievement highlights strong performance across guest satisfaction metrics and overall operational standards.

Renaissance Dhaka Gulshan Hotel expressed gratitude to its guests, associates, and partners for their ongoing support. The statement also extended appreciation to Marriott Bonvoy members for their loyalty and trust.

The hotel added that it remains focused on further improving service standards and setting new benchmarks in hospitality excellence in the future.
