

## Westin Dhaka reports highest revenue performance in March

---

- A Monitor Report

Date: 16 April, 2026

---

Dhaka : The Westin Dhaka has achieved the highest revenue among hospitality properties in Bangladesh for March 2026, according to a hotel release.

The hotel said in a release that the milestone reflects its continued focus on delivering consistent service quality, premium guest experiences, and strong operational performance, supported by its experienced team and management.

The Westin Dhaka expressed gratitude to its guests and stakeholders for their continued support, crediting them for the achievement and its position as a leading hotel in the country's hospitality sector.

The hotel added that it remains committed to maintaining high standards and further strengthening its service excellence in the days

ahead.
