

Crowne Plaza relaunches its rooftop restaurant Beast with new menu

- A Monitor Desk Report

Date: 31 October, 2025

Dhaka: Crowne Plaza Dhaka Gulshan opened Beast by MK, marking the relaunch of Dhaka's first global travel themed rooftop dining destination, through a menu unveiling ceremony held on October 30.

At the ceremony, the Beast by MK unveiled its new signature Passport Menu, that offers a culinary journey, led by Chef Mohammad Khawaldeh, across continents that transforms global flavors into stories. Each dish represents a destination from Chef Khawaldeh's travels, offering guests a taste of his personal adventures and inspirations gathered from around the world.

Guests attending the relaunch ceremony enjoyed a vibrant showcase of international dishes, immersive storytelling, and panoramic skyline views from Dhaka's most elevated dining venue.

The new meu offers 30 flavors in one culinary voyage. Perched atop the 26th floor of Crowne Plaza Dhaka Gulshan, the Beast by MK redefines luxury dining with a global travel inspired concept. Designed to evoke the spirit of adventure, it combines world class cuisine, innovative presentation, and breathtaking rooftop ambiance inviting diners to traverse the world through taste, said a release.
