

## Dubai breaks tourism records in 2025

- A Monitor Desk Report

Date: 27 December, 2025

Dhaka: Dubai has officially become the most visited city on Earth in 2025, breaking previous tourism records, according to city officials.

The surge in visitors highlights Dubai's growing appeal as a hub for business, luxury, culture, and global events. Officials said the rise is driven by strong infrastructure, streamlined visa policies, and a wide range of year-round attractions.

"The city's record-breaking visitor numbers reflect our continued efforts to provide world-class experiences for travelers from across the globe," a tourism official said.

Dubai's achievement further cements its position as a leading global destination, strengthening its role in international tourism and business.
