Dhaka: Malaysia Airlines invites holidaymakers to plan ahead and enjoy best fares from July 8 to 21, 2025 for travel until May 31, 2026, as part of an ongoing campaign called “Time for Memorable Journeys”.

Whether it’s basking in Sydney’s sunshine, admiring Japan’s autumn foliage, exploring the beaches of Bali or diving into the cultural gems of Kuala Lumpur, travelers can now book their next escape at great value starting from USD 339 all-in return for international travel, while enjoying a host of new experiences designed to make every journey more seamless and rewarding, said the airline in a release.

Beyond attractive fares, passengers will enjoy a full suite of end-to-end travel experiences when traveling with Malaysia Airlines. From upgraded in-flight services to enhanced digital features, the airline is committed to delivering Malaysian hospitality with a contemporary

edge, added the release.

For families and leisure travelers, Malaysia Airlines offers a range of features. Young passengers can stay entertained with the Pilot Parker Activity Pack, while all guests can enjoy unlimited in-flight Wi-Fi across the airline's A350-900, A330neo, Boeing 737-8, and selected A330-300/200 aircraft. Passengers can also pre-order their preferred meals from the airline's Best of Asia inflight menu from 30 days up to 24 hours before departure.

On select services to Melbourne, Auckland and Bali, travelers can enjoy an elevated cabin experience onboard the airline's new A330neo. In Economy Class, the aircraft features 269 ergonomically designed Recaro R3 seats with comfortable touches such as coat hooks, cup holders, and generous stowage space, with 24 seats offering extra legroom. Each seat is equipped with a 13.3-inch 4K entertainment screen, Bluetooth connectivity, dedicated Kids Mode, and parental controls.

Travelers can take advantage of this limited-time promotion, which includes best Economy Class fares and additional benefits such as up to 10 percent off seat selection and extra baggage allowance on select routes.
