- A Monitor Report

Date: 01 June, 2025

Dhaka : One of Turkey's largest and most renowned hospital chains, Memorial Hospital Group, successfully hosted the "Memorial Healthcare Promotion Conference - Dhaka 2025" at an elite hotel in the capital.

The conference was organized to highlight the potential of modern and specialized healthcare services available in Turkey, with a particular focus on providing advanced, safe, and cost-effective treatment options for Bangladeshi patients seeking medical care abroad.

Key topics discussed included Turkey's expertise in cancer treatment, organ transplantation, IVF, cardiology, and other complex and specialized medical procedures that are both affordable and internationally acclaimed.

Bilal Belyurt, Commercial Counsellor at the Embassy of Turkey in

Dhaka, attended the event as the Chief Guest. Speaking on the occasion, he emphasized the need to facilitate and ease the medical visa process for Bangladeshi patients.

Muhammad Ali Shiraz, Country Manager for Bangladesh and Pakistan at Memorial Hospital Group, was present as the Special Guest and also shared his remarks.

The event was attended by leading Bangladeshi doctors, healthcare professionals, medical travel facilitators, travel agencies, and other stakeholders in the healthcare sector.

The conference was organized by CureFly Malaysia, a Dhaka-based medical travel platform.

Muhammad Hasnain, Managing Partner of CureFly Malaysia, was also present on the occasion.
