Dhaka : Popular fashion and lifestyle brand Sailor unveils its brand-new Autumn collection celebrating serenity, style, and seasonal grace.

This season, Sailor draws inspiration straight from autumn's canvas the clear skies, fluttering birds, whispering breezes, and quiet sunshine. The result is a collection that feels light, refreshing, and effortlessly elegant.

Comfort takes center stage with breathable fabrics, soothing hues, and delicate prints. Each design echoes the season's tranquility while adding a touch of modern sophistication perfect for those who seek both ease and elegance in their wardrobe.

The women's line glows with understated charm. From graceful kurtis, long and short tops, to chic three-piece ensembles, each outfit radiates a balance of softness and style. Made with fine rayon fabric, these pieces feature vibrant tones, artistic patterns, and subtle embroidery

redefining autumn fashion with a contemporary feminine spirit.

The men's collection presents a refreshing harmony of tradition and trend. Think ethnic shirts, mombatik prints, colorful casual designs, and loom-jacquard half sleeves that blend heritage with a modern twist.

The standout pieces fashion Punjabis and blended silk Punjabis with distinctive metal button details are ideal for both festive gatherings and laid-back moments.
