

## **Aeroflot begins flights from St. Petersburg to Istanbul and Antalya**

---

- A Monitor Desk Report

Date: 28 November, 2022

---

**Aeroflot opens direct regular flights from Saint Petersburg to Istanbul and Antalya on Boeing 737-800.**

Flights to Istanbul will operate from 16 December, flights to Antalya will begin on 17 December, on the following schedule (all times local):

Thanks to the addition of the new destinations in Aeroflot winter schedule Saint Petersburg residents will be able to travel to Turkey directly, bypassing Moscow. The up-to-date schedule is available on Aeroflot's website.
