

Air Arabia hiring Pakistani pilots

- A Monitor Desk Report

Date: 27 August, 2025

Dhaka: Air Arabia's Pakistan-based joint venture, Fly Jinnah, has announced new vacancies for experienced Pakistani pilots.

The airline is hiring captains and first officers for its Airbus A320 fleet at hubs including Karachi, offering competitive pay, benefits, and long-term contracts, according to its careers portal.

Fly Jinnah is hiring Pakistani nationals as A320 Captains on an undetermined contract. The role involves ensuring safe and efficient operations, guiding crew, and managing flights in compliance with CAA regulations.
