

Air India to launch direct flights between Bhuj, Mumbai

- A Monitor Desk Report

Date: 24 January, 2024

Dhaka: From March 1, 2024, Air India will launch daily flights between Mumbai and Bhuj.

Operated by A320, the flight AI 601 will depart Mumbai at 0705 hrs and reach Bhuj at 0820 hrs, while the return flight AI602 will depart Bhuj at 0855 hrs and land in Mumbai at 1010 hrs.

This new service not only facilitates a comfortable connection between Mumbai and Bhuj but also provides convenient international links to the UK, North Americas, Dubai and Singapore.

Bookings for these flights are now open through various channels, including Air India's official website, mobile app and authorised travel agents.
