

Air Suvidha, TN e-Registration mandatory for all passengers travelling to India

- A Monitor Desk Report

Date: 20 January, 2021

Dhaka: All international passengers arriving in India are to mandatorily fill the Air Suvidha Self Declaration Form effective immediately. The applications are being accepted on behalf of the Ministry of Health and Family Welfare, Government of India, announced the ministry in a notice recently.

Air Suvidha is Delhi Airport's contact-less solution developed in collaboration with the Ministry of Civil Aviation. Incoming passengers arriving in India can now experience a smooth and hassle-free arrival process. They can apply online to fill self-reporting and exemption forms.

Passengers with approved exemption requests on Air Suvidha are exempted from institutional quarantine. In case of rejection, the passenger will have to undergo institutional quarantine as per the state government guidelines at the first airport of entry.

There is no quarantine applicable to passengers arriving with a negative RT-PCR report.

Passengers are to carry the printout of the registration and valid negative RT-PCR report.

All passengers arriving in India from the United Kingdom must undergo a mandatory RT-

PCR test in the UK as well as in India. Passengers must upload their negative RT-PCR test report via Self Declaration Form on the Air Suvidha Portal before boarding the flight.

To register, passengers flying to any destination in India are to visit:

<https://www.newdelhiairport.in/airsuvidha/apho-registration>.

Also, people entering Tamilnadu from other states/countries or visiting within Tamilnadu to tourist spots should register online for TN at: <https://eregister.tnega.org/#/user/pass>.
