

Biman, Gulf Air sign code-share agreement

- A Monitor Desk Report

Date: 09 August, 2023

Dhaka: Biman Bangladesh Airlines and Gulf Air announced the signing of a strategic code-share agreement effective August 9, 2023.

The official signing ceremony for the code-share agreement was held virtually at Biman Head Office on August 9, 2023, with representatives from both airlines connected through web platform.

Speaking on the occasion, Shafiul Azim, MD and CEO of Biman Bangladesh Airlines, said, "We are thrilled to join hands with Gulf Air in this code-share agreement, which marks a significant milestone for both airlines. This partnership will unlock new possibilities for our customers and strengthen the bonds between Bangladesh and the Gulf countries."

Captain Waleed Al Alawi, CEO of Gulf Air, commented, "We are delighted to be partnering with Biman Bangladesh Airlines, a respected carrier in the South Asian region. Through this code-share agreement, we are looking forward to offering our passengers an expanded network of destinations and more travel choices."

This landmark partnership aims to enhance travel connectivity, convenience, and accessibility for passengers travelling between Bangladesh and the Gulf region.

With this agreement, Biman Bangladesh Airlines and Gulf Air will collaborate closely to expand their flight networks, offering an extensive range of options to their respective passengers.

The code-share agreement will enable travellers to seamlessly book flights operated by either airline, providing increased flexibility and efficiency in travel planning.

Initially, under this agreement, passengers can travel from Dhaka to Bahrain and Bahrain to Dhaka with onward connection to Chattogram and Sylhet by both the Airlines (Biman and Gulf Air).

The code-share agreement between Biman Bangladesh Airlines and Gulf Air will also benefit both airlines through enhanced operational efficiency and shared expertise in the aviation industry.
