

Cathay Pacific introduces two new frequencies on Dhaka-Hong Kong route

- A Monitor Desk Report

Date: 12 July, 2023

Dhaka: Cathay Pacific Airways announced two new frequencies on Dhaka-Hong Kong route. The airline is introducing its third and fourth frequency on the route effective September 6 and November 1, 2023 respectively, according to a press release.

With the airline's third frequency from September 6, Cathay's flight CX662 will depart Dhaka at 02:10 and arrive in Hong Kong at 08:05 on every Wednesday, Friday and Sunday while the return flight CX667 leaves Hong Kong at 22:55 and lands in Dhaka at 01:00+1 (all times are local) on every Tuesday, Thursday and Saturday.

With the fourth frequency from November 1, the airline's flight CX662 will depart Dhaka at 01:05 and land in Hong Kong at 06:40 on every Wednesday, Friday, Saturday and Sunday while the return flight CX667 leaves Hong Kong at 21:30 and reaches Dhaka at 23:55 (all times are local) on every Tuesday, Thursday, Friday and Saturday.

“Our new frequencies will offer passengers more flight choices for Dhaka-Hong Kong-Dhaka and onward connections to the USA, Canada, Europe, Australia, New Zealand, Japan, China, Korea and many other cities,” said the airline in the release.
