Dhaka: The Philippines' flag carrier Cebu Pacific is offering flights from Dubai to Manila at a minimum cost of DH1 as one-way base fare from March 3-5, in an effort to celebrate its 25th anniversary.

Passengers can book their flights to the Philippines for travel between June 1, 2021, and December 31, 2021.

"On our 25th year, we remain humbled to be part of our passengers' stories and life journeys. We are in full support of the simplification of travel requirements, and expect to welcome more guests onto our flights in the coming months," said Candice Iyog, Vice President, Marketing and Customer experience, Cebu Pacific.

Cebu Pacific will also be offering 25 percent off for flight add-ons.

"Throughout our 25 years, we have celebrated countless wonderful moments with our guests. We look forward to #MoreSmilesAhead, as everyone flies again," Iyog mentioned.
