

Delhi fog prompts Indigo travel alert

- A Monitor Desk Report

Date: 18 November, 2024

New Delhi: Indigo Airlines issued a travel advisory for passengers owing to fog conditions in the national capital on Sunday.

In a post on X, the airlines recommended passengers to allow extra travel time and check flight status before starting their journey.

"Fog is currently affecting visibility in Delhi, which may result in slow-moving traffic and delays in flight schedules. We recommend allowing extra travel time and checking flight status before starting your journey. Safe travels!" the post mentioned.
