

Dhaka Regency launches summer campaign

- A Monitor Desk Report

Date: 21 May, 2025

Dhaka: As summer sets in, Dhaka Regency Hotel & Resort has launched its seasonal campaign, "Beat the Heat," featuring a range of activities and services aimed at helping guests stay cool and refreshed.

Grill on the Skyline, the hotel's rooftop restaurant, is open for evening dining with outdoor seating and views of the city. Guests can also access the rooftop swimming pool, available for a relaxing swim during the day, says a statement.

Freshly pressed juices are available throughout the hotel to help guests stay refreshed.

The hotel's spa is offering a 15% discount between 10:00am and 4:00pm, intended to provide a calming break from the summer heat.

Dhaka Regency is also running a swimming course at its rooftop pool facility. Designed for all age groups and experience levels, the course

offers structured lessons with a focus on safety, particularly for children. Packages and membership discounts are available, including exclusive deals for Dhaka Regency Health Club members.

In addition, special room packages are being offered that include added summer perks.
