

## easyJet launches 8 new winter routes from UK

- A Monitor Desk Report

Date: 08 July, 2023

easyJet, the top airline in Europe, has announced the launch of 8 new winter routes from 8 UK airports.

This means that passengers can choose from an even wider selection of places to enjoy this winter and book early to obtain the best pricing. EasyJet Holidays, the UK's fastest-growing tour operator, has put brand-new packages on sale on six of the new routes, providing even more great holidays at unbelievable prices.

EasyJet will begin offering winter flights from London Luton and Edinburgh to Rovaniemi, the entry point to Finnish Lapland, on December 9 and December 3, respectively. These flights will run twice a week throughout the winter. The new routes will complement the current ones from London Gatwick, Bristol, and Manchester, which are expected to be well-liked by families traveling to the renown Santa Claus residence this winter.

Also launching this winter are four new routes from the UK to Egypt's scuba diving hotspot Hurghada. The flight will launch from Liverpool twice a week starting 29 October, Glasgow twice a week starting 8 November and Belfast once a week starting 31 October, all operating year-round, as well as from Edinburgh twice a week starting 6 November throughout the winter season.

easyJet is the number one carrier from the UK to both Egypt and North Africa, which continue to prove popular with UK holidaymakers for guaranteed winter sun, vast sandy beaches and world-renowned coral reefs.

Ali Gayward, easyJet's UK Country Manager, commented, "We're delighted to be launching even more new routes and holidays from our airports across the UK to a range of fantastic destinations, providing even more choice for our customers this winter whether they're looking for a Christmas getaway, hitting the slopes or chasing the winter sun and we can't wait to welcome more customers on board."

Mentioned that, easyJet serves 21 UK airports offering 482 routes to 125 destinations from the UK across Europe, North Africa and the Middle East. To discover more about easyJet's UK network and to book visit [easyJet.com](http://easyJet.com).
