

EBL Becomes the First Bank in Bangladesh to Adopt Starlink Services

- A Monitor Desk Report

Date: 09 September, 2025

Dhaka, September 9, 2025: Eastern Bank PLC (EBL) has made history by becoming the first bank in Bangladesh to establish connectivity through Starlink satellite communication, ushering in a new era of innovation, resilience, and efficiency in the nation's financial technology landscape.

The official launch ceremony was held today at the bank's head office in Dhaka, marking a strategic collaboration between EBL and Starlink, the global satellite internet service provider by SpaceX.

The event was attended by Ahmed Shaheen, Additional Managing Director; Osman Ershad Faiz, Additional Managing Director and Chief Operating Officer; Zahidul Haque, Chief Technology Officer of EBL; and Sharful Alam, Chief Executive Officer of Felicity IDC (Starlink service provider in Bangladesh), alongside senior executives from both

organizations.

With this milestone, EBL has reinforced its position as a leader in banking innovation, committed to harnessing advanced technologies to create a more secure, reliable, and inclusive financial system in Bangladesh.
